The denomination of all our engines from 100 HP up only shows the shaft length with L, XL, CXL, XXL, etc.
as all these engines are equipped with Electric Start and Powertrim.

Standard Equipment (for Single Installation)

All our electric start models are delivered with side mount remote control if not indicated otherwise in the model denomination.
(H = Tiller Handle - instead of Remote Control).

Engines from 2,5 up to 6 HP include internal fuel tank, from 8 up to 30 HP (not for F30 ELPT EFI CT) external fuel tank and fuel line.

Propeller

Engines up to 115 HP are supplied with BlackMax aluminium propeller.

Engines from 150 HP up to 300 HP are supplied with Revolution4 Stainless Steel propeller.

Engines from 350 HP up to 400 HP (V10) are supplied with RevolutionX Stainless Steel propeller.

Engines with 600 HP (V12) are supplied with Verado12 Stainless Steel propellers.

Mercury outboards up to 20 HP are delivered with a standard propeller in the engine carton.

From 25 HP up, please select desired propeller pitch.

Instruments

Engines from 40 HP up to 60 HP are supplied with analog tachometer and speedometer. All engines as of 25HP with Powertrim (without Tiller Handle) include a trim gauge.

Engines from 80 HP up to 150 HP are supplied with SC1000 Tacho/Speedo, SC100 trim gauge as well as VesselView Mobile.

Engines from 175 HP up to 400 HP are supplied with SC1000 Tacho/Speedo, SC100 trim gauge and fuel gauge, Active Trim as well as VesselView Mobile.

Engines with 600HP (V12) are supplied with VesselView 903, Active Trim as well as VesselView Mobile.

Steering

Engines from 250 HP up to 400 HP with AMS (Advanced Mid Section) are supplied with an Electro-Hydraulic Steering System.

Engines with 600 HP (V12) with AMS (Advanced Mid Section) are supplied with E-Steering System with engine integrated hydraulic pump.

All other engines (without AMS) include no Steering system (see table for surcharge).

Benefit from the Mercury warranty up to 5 years for pleasure application for FourStroke, Verado and Pro XS outboards up to 300 HP.
